Content Outline
Sophie Fried

I'd like to build a sleek multi page site that fits the brand image of Vogue. Please include a navigation page either across the top or as a side bar. Use images of notable Vogue covers, portraits when discussing notable Vogue figures, and a logo.

Home Page
Recent Vogue news and images

History
What is Vogue? How did it start? How did it get to where it is today?

Icons
Include information about key Vogue leaders and inspirations (ex: Anna Wintour and infamous models)
- also include images of famous Vogue covers

Future
What is the future of Vogue?
-switch from print to digital
-present inspirations (street style, new designers)
